Client Testimonial

"We hold national corporate conferences yearly and in 2015 we chose Queen's University, Kingston Ontario to hold our 20th Anniversary Conference! With 450 delegates, Queen's was able to provide on campus accommodations, meals, plenary space, trade show space, final banquet and even a sports field where we held our Pita Olympics! The convenience of having everything located in one area was amazing. The team at Queen's made everything work from start to finish. Our delegates also enjoyed all that Kingston has to offer; Cruising the 1000 islands to golfing near Lake Ontario, Kingston is a FANTASTIC place to hold a conference."
